KANAGAWA UNIVERSITY
AUTOMOTIVE ENGINEERING
RESEARCH CLUB IS A LONG-
ESTABLISHED ORGANIZATION
FOUNDED IN 1949, EMERGING
ALONGSIDE THE DEVELOPMENT
OF ENGINEERING EDUCATION IN
POSTWAR JAPAN.
TODAY, THE CLUB PARTICIPATES
IN MOTORSPORTS SUCH AS
GYMKHANA AND ENDURANCE
RACING, SERVING AS A PLACE
FOR STUDENTS TO ACQUIRE
HANDS-ON TECHNICAL SKILLS.

I THINK THAT IN THE END, WHEN IT COMES TO BEING INTO
CARS, BOTH TASTE AND CHARACTER REALLY MATTER.
WITHOUT GOOD TASTE, YOU END UP CREATING SOMETHING
THAT LOOKS LIKE ABSOLUTE GARBAGE LIKE IT DOESN'T
EVEN BELONG IN THIS WORLD, EVEN IF IT'S SOMETHING LIKE
A GT-R. AND IF YOUR CHARACTER IS TRASH, PEOPLE
AROUND YOU WILL EVENTUALLY DISAPPEAR. EVEN IF YOU
START OFF LACKING BOTH, I HOPE YOU GROW AND BECOME A
RESPECTABLE CAR ENTHUSIAST. BUT IF THAT STILL
DOESN'T HAPPEN... THEN YEAH, THERE'S PROBABLY NO
HOPE.
